Fusion Staffing & Executive Search Group offers a suite of staffing solutions designed to meet the changing needs of our clients. We understand that different businesses have different needs. We work with our clients to find the staffing solution that best meets their needs. Our years of experience in staffing, in both corporate and agency environments has given us the knowledge and methodologies that allow us to deliver revolutionary workforce solutions

These solutions include NAME-GENeration, Full Life Cycle Recruiting, Contract/Contract to Hire, and On or Off Site Contract Recruitment.

NAME-GENeration

For the client that doesn't have the staff, time or expertise to source candidates for the wide range of skill sets they support. We can provide you with data that even an AIRS certified recruiter will never find. True Black Hat Recruiting!

Full Life Cycle Recruiting

For the client that has the need for recruiting support from search through interview scheduling and offer negotiations; we can handle the placement from start to finish.

Contract/Contract to Hire

For the client that needs short-term contract employees or prefers to hire under a contract to hire model. We carry maximum insurance coverage in the interest of protecting our clients and we pay our contractors weekly via Direct Deposit. Whether your needs are for IT, Sales, HR or Operations professionals we can respond quickly with top quality candidates.

On/Off Site

Contract Recruiting

For the client that needs a full time short term recruiting resource to work with their internal staffing team as a supplement to existing staffing group.
