

Let us help you staff for

Sales / Inside / Out-Side / Customer Service

Quality Sales Professionals are critical to the success of any organization and the Fusion Staffing team has more than 75 years of experience in the recruitment of top talent along the Front Range and across the United States. We maintain a large and active database of candidates and we have an active pipeline of top sales professionals with experience selling solutions, technical, and non-technical Products and Services

We have established recruitment channels and an extreme depth of experience in recruiting across the following Sales specialties:

We use a mix of both behavioral interviews and role playing to identify true sales candidates.

- * Inside Software Sales
- * Outside Software Sales
- * Pharmaceutical Sales
- * Medical Equipment Sales
- * Staffing Solutions Sales
- * Managed Services
- * Customer Service
- * Telemarketing
- * Lead Generation
- * Customer Service
- * Inbound and outbound

Recruiting quality Sales Professionals requires an understanding of Sales people and what makes them tick. Experience has taught us that many people look to Sales as their profession of choice without really understanding the diligence and work ethic required to become a successful producer.

The Fusion Staffing team knows that a quality sales person has the perfect combination of natural ability and work ethic.
