

Nonprofit Staffing Solutions

Fusion Staffing & Executive Search Group has made a serious commitment to giving back and supporting the not for profit community. In addition to our individual commitment to volunteerism we also offer reduced pricing on all of our services to our not for profit clients to help them reach their goals.

Our network is comprised of top professionals who have made a commitment to non profit work, and they bring with them the ability to develop creative and innovative solutions to the unique challenges faced by non profit organizations today.

Fusion Staffing & Executive Search Group specializes in the sourcing, identification and recruitment of top talent across a wide range of professional profiles:

Our people have experience across a diverse group of non profit organizations, and through quality focused research and recruiting processes we will identify not just the active job seeker but the passive hard to find candidate as well.

If you are looking to hire for your non profit organization please give us a call and we can discuss your hiring challenges and how best we can support your organization. We realize a one size fits all philosophy doesn't work in today's competitive hiring environment so we offer a variety of staffing solutions tailored to meet our clients specific needs and increase their ROI relative to staffing.
